### Question:

Write to your friend about ONE of your favorite sports or hobbies.

### Answer:

One of my hobbies that most like me is to play videogames. Play videogames allow you to distract yourself of your school or job, it is good when you are stressed. Playing videogames is beautiful because you can play with friends or make friends by playing videogames, for example most of the friends I have I met them by playing a videogame. You can play everything you want, you can do everything you want and nobody can not stop you. It is a good hobby but you have not get distracted of your obligations like homeworks, cleaning or social life.
